V E T A

IDEAL FOR CONSUMER ELECTRONICS RETAILERS.

A once risky transport operation is now under control. Safer, smarter, easier.
Minimal dependency on crew abilities and skills.

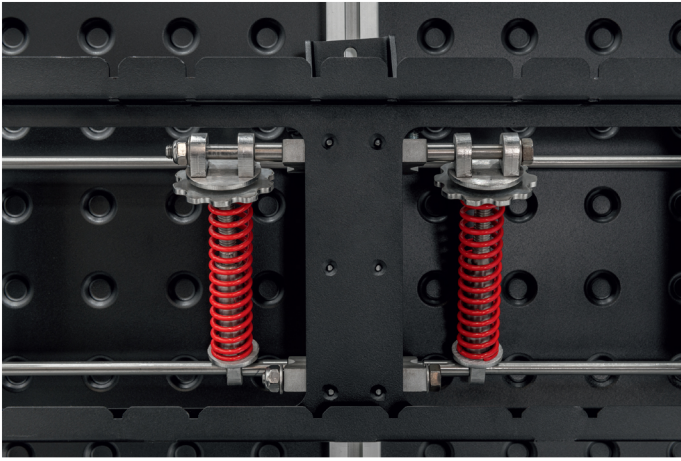

UP TO 75" SCREEN. ALL FLAT & CURVED TV's. ALL TYPES OF BRANDS

The ultimate, all-in-one transport case solution for all TV's between 32 - 75 inches. One size fits all design supporting all flat and curved TVs of all brands.

A BLEND OF FORM & FUNCTION

- Lightweight
- Outstanding motion performance
- Anti-Scratch rubber wheels

**A WHOLE
NEW APPROACH.
ON A WHOLE
NEW LEVEL.**

MANY TV SIZES. ONE SOLUTION.

- TV mounting security 100%
- 90° VERTICAL ROTATION
- TV is supported and transported only through a VESA mount as per all TV manufacturer specs
- Patented built-in suspension system for the vibrations absorption during transport
- Built-in working bench for safe handling of the crew picking up the TV
- Tool free process at all stages of the cycle.
- Anti-scratch wheels avoiding floor marks at the customer's residence.
- 100% pure aluminum alloy
- 100% Recyclable.

**A TOOL FREE OPERATION.
CONSISTENTLY.
EFFICIENTLY. SAFELY.**

All through a standard handling process path where Movitor allows the retailer's TV pick-up crew, to effectively execute a once risky operation.

YOUR BRAND AT THE CENTER OF THE CUSTOMER EXPERIENCE.

- Save time & costs
- Improve customer experience
